The National Abolition Hall of Fame and Museum honors antislavery abolitionists, their work to end slavery, and the legacy of that struggle, and strives to complete the second and ongoing abolition – the moral conviction to end racism.

Dear Friend of the National Abolition Hall of Fame and Museum (NAHOF)

As I sit here in the Land Office on the Gerrit Smith Estate National Historic Landmark, I reflect upon the good fortune of NAHOF to have the support of persons like yourself who regard the mission and work of the organization. I worked in this office for fifty-five years managing the real estate business begun by my father Peter. I was pleased to use my funds to support education and human rights endeavors.

NAHOF has survived the effects of a strange disease called a virus and is looking forward to resuming activities this year. The Cabinet of Freedom appreciates the volunteers that provided remote programs for February 2021 and 2022 in order to provide educational sessions for students and the general public. However, being closed because of that virus, meant that there was a significant decrease in income. NAHOF needs matching funds for grants to provide educational programs for history and equity. One project will continue reformatting videos in order to make them accessible, and another grant will engage the public in the reenactment and a commemoration of a movement against slavery.

Please consider helping NAHOF overcome the virus deficit and continue its projects by becoming a member at one dollar for each year that I worked in the Land Office to give money to these causes.

*I am proud of the work of these volunteers and their commitment to the important *Gerrit**
